No mention of items to add

- 1) **President's report:** Etienne thanks everyone who has stepped up to volunteer.
  - There were fewer rides this year, but more 600 and 1000's
  - The executive is trying to come up with ways to attract people, so if you have ideas let us know
  - Chatting with Cheryl re the Rando Canada idea: as this would be the year of inauguration, a ride across Canada rando style is suggested, using the clubs across Canada
  - We are doing a lot of risk management involving insurance
  - Thank-you to Karen and Will for their work with the pins. They are new pins, and extra small as we switched suppliers.
  - PBP is next year. The hotel has been changed from previous years as the start has moved.
  - Societies act thanks to Colin for putting this together
- 2) **Treasurers report:** Jacques presents statement for year ending Sept 2017
  - We should continue to be frugal when organizing brevets, but we have no real problems.
  - The populaires subsidize everything else. Thanks to populaire volunteers.
  - The big expenses were pins and insurance. The fleche and AGM also lost a bit.
  - The accumulated surplus is down a bit as there were big purchases of pins and clothing.

Motion to accept: Stephen Hinde, seconded Jeff Mudrakoff. Passed.

3) **Route co-ordinators Reports:**

**Interior**, Bob Goodison: Thanks to all other riders from other regions who made the trip up.

- The 1000 had an excellent turnout.
- The Fall 200 was organized by Jaquetta Benard.
- 3 interior riders are planning for PBP
- Spring routes are planned already, with make-up rides in late June. The 1000 will start in Merritt.
- Hoping to follow through with tour of the Monashees, send Bob an email if you are interested.

**Lower Mainland**, Nigel Press: There were 13 events, 9 of which were new rides.

- 72000 km have been ridden with no incident reports.
- We need to get more organizers for next year.
- We have a schedule which will be on the website soon.

**Island**, Etienne Hossack for Marc Ford: It was a successful year. The 1000 had 17 riders. There were no routes run on the Malahat.

- There will be a ride on Nov 11th, sincere thanks to Stephen and Carol Hinde for their assistance.

4) **BC Societies Act**, Colin Fingler: As per handout: Impacts of new societies act.

- Have to transition by 28 Nov 2018
- Replaces 1979 BC Society Act. Some by-laws from the old act conflict with the new act.
- Relevant changes: electronic filing; more accessible constitution; better access to records; no unalterable provisions; clause-specific voting threshold; more flexibility for members and changes of constitution.
- Currently revising to single document with new bylaws and marking unalterable provisions
- By-laws have been reviewed and necessary changes made using by-laws that were consistent with the societies act, then registered. This includes the full text of by-laws, which is what today's vote is on.
- No changes were made to the constitution, so we are left with the 2013 constitution. Recommend new board to look at making some changes, such as general language clean-up.
- Language for electronic voting. Cycling BC by-laws incorporated as helpful.
- Thanks to Stephen Hinde for assistance in creating the draft.
- 2/3 of quorum are required to pass changes
- AGM is to be held once a year, within 6 months of the fiscal year end.
- Approve changes: Voting on by-laws changes that were sent out with the meeting notice and will be confirmed into our by-laws which will be submitted. We can vote once we are transitioned.
- Membership renewal – for those not in good standing, till dues are paid. Support of new bylaws dictates the number of board members, minimum number of directors and meetings.
- If something is ambiguous the board can interpret as they choose as long as it fits the constitution.
- Suggest: financial year matches the AGM, currently with a default of Dec 31.

Motion to accept the special resolution and file the new bylaws with the BC Society: Colin Fingler, Second: Rick **den Braber**
