LIMITATION OF NUMBER OF ENTRANTS

We might be led to restrict the number of registrations in order to ensure the safety and quality of this event. **The maximum total number of participants will be communicated early in 2015.**

REGISTRATION

The registration period begins on June 6 and ends on July 14, 2015. Registrations can only be made through the PBP web site. You can register before having completed the qualifying brevets, but you need to provide the missing brevet certification numbers **before July 14** or your registration will be cancelled.

PREREGISTRATION

From April 26, 2015, a preregistration scheme will enable you to know day after day how the ride fills up. To assure your best chances of participating, we recommend **riding at least one ACP-sanctioned brevet (i.e. BRM = Brevets de Randonneurs Mondiaux) in 2014.**

If the number of preregistrations exceeds the global rider limit, we will establish a waiting list.

You still need to start the definitive registration process before June 23, 2015 or the benefit of your preregistration will be lost.

QUALIFYING BREVETS

To qualify for PBP you must complete a Super Randonneur brevet series (200, 300, 400, and 600 km) of ACP-sanctioned brevets in 2015. Those brevets are offered in over 40 countries around the world.

For example, we are suggesting the following schedule to regional brevet administrators in France:

BRM 200 km	BRM 300 km	BRM 400 km	BRM 600 km
from February 21 to May 10	from April 4 to May 25	from April 18 to June 7	from May 8 to June 28

The calendar of the French and international BRMs is available on the PBP Web site: www.paris-brest-paris.org

A SHORT EXTRACT FROM THE RULES

- The *Paris-Brest-Paris Randonneur* is open to FFCT, UFOLEP and FSGT members, as well as to all international riders covered by insurance. The minimum age is 18 years at the date of the start.
- Triathlon handlebars and all forms of bar extenders are forbidden.
- Support vehicles are forbidden on the designated route for the riders, except at the eight intermediary control points.

About safety

- Bicycles must be equipped with front and rear lights attached firmly to the bike. Lights must be in working order and in non-flashing mode.
- Riders must have an EN1150 (non-professional standard) or EN471 (professional standard) high visibility reflective vest. Alternatives like a reflective sash or belt are not acceptable as substitutes.
- It is recommended to wear a helmet.
- Bicycles must be equipped with front and rear brakes.
- Bicycles must be powered solely by the human body.

CONTROLS (CHECKPOINTS)

The procedure at the control points will remain fundamentally the same as in the last six editions of PBP, i.e.:

- Volunteers will stamp the brevet cards.
- The times of passage will be recorded by scanning the control badges.
- Every ten minutes, the times of passage will be transmitted to our web site.

The location of the welcome and control points remains the same as in 2011:

DREUX	65 km	Return
MORTAGNE-AU-PERCHE	75 km	
VILLAINES-LA-JUHEL	81 km	
FOUGÈRES	88 km	
TINTÉNIAC	54 km	
QUÉDILLAC	26 km	
LOUDÉAC	59 km	
ST-NICOLAS-DU-PÉLEM	46 km	
CARHAIX-PLOUGUER	33 km	
BREST	85 km	

Experience has shown that we can have confidence in the expertise and dedication of the staff at each control. **About 2000 volunteers overall will welcome you with all the friendly attention and understanding you will want for your physical and moral support.**

Bonne route to you all

In 2015 again, the five continents will be represented. Given the worldwide growth in the sport of randonneuring, we expect to see in 2015 an even bigger diversity than in the past.

The PARIS-BREST-PARIS Randonneur proves to be **THE MOST INTERNATIONAL CYCLING EVENT IN THE WORLD.**
